

WOLLASTON SCHOOL

Exams & Severe Weather Guidance

What happens about my exam if school is closed on the day?

- You will be able to sit the exam at the next opportunity (summer). If it is the last chance for that exam or you are finishing your qualification (certificating) then the school will apply for special consideration on your behalf and you will get a grad based on estimated grades and previous work.

What if the school is open but I can't get to school?

- The same will apply as above. You will need to have strong evidence that you could not get to school.

What if the school is open but due to weather I am late for my exam?

- Try and leave extra time to get to school if the weather is bad and let the school know that you are on your way. If you are late you should still be able to sit the exam
